

How to “stream” services

Currently we stream services live through Pastor Sparks’ Facebook page. If you are a Facebook user, search for Roger Sparks. Send him a friend request if you’re not already “friends”. He’ll accept your request – and you’ll be able to view services through Facebook live.

If you aren’t a Facebook user, you may watch services online. After recordings are uploaded, viewing links will be posted on www.luvernecrc.com home page.

Also, if you have Cable TV in Luverne, you may watch services on local access stations 3 or 4 on Wednesday evening at 5:30 pm and Thursday evening at 6:30 PM.
