Morning Service-Message Memo: The Course of the Clouds

Describe the clouds you like best.

Explain how clouds make a sunrise or sunset spectacular.

Which book of the Bible is all about clouds? _____

How do clouds picture both God's presence and God's distance?

Tell how a cloud can enhance and obscure at the same time.

How were clouds crucial in Christ's life?

When Christ returns what is the only function clouds will have?

Why can't Christians say, "I don't know clouds at all"?

Since clouds indicate key points in God's redemption, how will you see clouds

Evening Service – Message Memo: Lap Full of Lessons

The message considers ten top lessons we learn from Job. Explain how each helps you.
